

Safer Recruitment Policy

Introduction

The safe recruitment of staff in to schools/units is the first step to safeguarding and promoting the welfare of vulnerable people in education and care settings.

This policy applies to all staff and contractors and should be read in conjunction with the Child Protection Policy; the Safeguarding Adults Policy; the Equal Opportunities, Diversity and Inclusion Policy and the Recruitment and Selection Policy, the Children Act 1989 and 2004 and the guidance given by the Government in the report "Safeguarding Children and Safer Recruitment in Education" and the Care Act 2014.

Statement of Intent

Axcis Education is committed to safeguarding and promoting the welfare of vulnerable people and expects all staff, contractors and volunteers to share this commitment. It is recognised that this can only be achieved through sound procedures, ongoing training, reviewing and updating of systems and the recruitment and retention of competent, motivated employees who are suited to and fulfilled by the roles they undertake. Axcis Education recognise the value of a diverse workforce and actively seeks to include people from different backgrounds and with different skills and abilities throughout our organisation. Axcis Education is committed to ensuring that the recruitment and selection of all contractors is conducted in a manner that is systematic, efficient and effective and that promotes equality of opportunity.

Procedures

Axcis Education will uphold its obligations under law and national collective agreements, to not discriminate against contractors for employment on the grounds of age, disability, gender re-assignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. This document complies with the principles set out in our Equal Opportunities, Diversity and Inclusion Policy, Child Protection Policy, Safeguarding Adults Policy, the Recruitment and Selection Policy and our Complaints Procedure, all of which are available on request.

All contractors are exempt from the Rehabilitation of Offenders Act 1974 and therefore all will be required to declare spent and unspent convictions, cautions and bind-overs that are not protected under the filtering guidance. All contractors must have a Disclosure & Barring Service Enhanced Certificate.

Axcis Education is committed to ensuring that people who have been convicted are treated fairly and given every opportunity to establish their suitability for positions. Having a criminal record will not necessarily be a bar to obtaining a position. Client schools/units are fully informed before making any decision about a contractor.

Safer Recruitment Policy

Suitability: Once a contractor is placed in a school/unit, feedback is sought on the first day and throughout the placement term, to ascertain suitability for the role. If negative feedback is received on a contractor, or if the school/unit feels the contractor is not suitable for that particular role, the consultant will discuss these issues with the individual concerned. If any training needs have been identified, the consultant will also discuss available options. Equally, if the contractor feels the school is not suitable for them, the reasons for this are discussed between the contractor and the consultant and any relevant information is relayed to the client.

Vetting Document: When a placement is confirmed, a Vetting Document is sent to the school/unit. This document provides a summary of the results of the aforementioned checks made on the contractor concerned. A copy of this document is available upon request. Copies of documents held on a candidate's file are also available for the client on request.

Communicating this Policy

- This Policy will be communicated to contractors at their initial induction interview / briefing and thereafter from time to time, as determined appropriate by Axcis Education. This Policy is available on the Axcis Education website and is communicated to all clients.
